

HURRICANE HARVEY 3 WAYS TO HELP

1.

Relief for Rosenberg

Relief for Rosenberg is a partnership between The City of Gadsden and some nonprofit organizations in Rosenberg, TX.

They are accepting cleaning products only. A list can be found on our website at etowahbaptist.com/harvey.

Supplies can be dropped off at the loading dock of the old JC Penney building at the Gadsden Mall from noon to 6 PM beginning 9/6/17.

Please no clothes.

Check the "Relief for Rosenberg" facebook page for more information.

2.

Give to sbdr.org

Southern Baptist Disaster Relief, and affiliate teams from Alabama, are on the ground in Texas providing relief.

Giving monetary donations to sbrd.org/texas helps to ensure that volunteers have the tools they need at the time they need it. It provides for not only relief services but also chaplaincy and other needs to those suffering from storm damage.

We recommend that all monetary donations be given through sbrd.org to ensure that needs are met by on the ground folks as they happen.

3.

Go with SBDR

The Etowah Baptist Disaster Relief team has been activated. SBDR has relieved some of the qualifications for those who serve, although emergency training is still recommended.

Emergency training dates can be found on etowahbaptist.com/harvey.

The EBA team will be going September 20-26.

For more information about this opportunity please contact Gary Cardwell at 256-393-7044.
